

SERVICES

ON-DEMAND – Messenger / Vehicle

The pickup and delivery of time sensitive goods. From an envelope to a truckload we are ready to service your critical requirements 24 hours a day / 7 days a week. Standard and rush services are provided.

SCHEDULED / ROUTED SERVICES – Messenger Vehicle

We provide recurring, time definite pickups and deliveries in an efficient, cost effective manner. We will customize a solution for your specific delivery requirements.

TIME SERVICE

When you have a need for short or long term temporary services for messengers (internal/external), mailrooms, shipping and receiving personnel or various other office services positions time services from Crown is your answer. Whether the position is for a day, week, month, or more we will provide the personnel to fill your requirements.

FACILITY MANAGEMENT

Crown provides experienced, knowledgeable, and courteous workers for management and staffing of on premise functions such as mailroom (including distribution, packaging, routing, and dispatching), messenger delivery, clerical, and maintenance. We will be prepared to identify areas of potential savings and service improvements for your business.

PACKAGE CONTROL CENTER

Package control centers are a cost effective solution to assist you with managing foot messenger / delivery traffic in your building. Crown will assume responsibility for all incoming and outgoing messenger packages in your building through a highly efficient, state of the art package center.
